District 6110 Gets Ask in Gear

Pictured to the left is DG Ron Petersen handing PDG Ellis Potter the Rotary International award for District 6110 netting the most new members. Membership committee chairman Jack Maxwell asked the District to get our **ASK IN GEAR**. District 6110

not only netted more members than we had previously; with a net membership growth of almost 200 new members, we had the largest membership growth in North America.

Who will get the Mercedes?

Parked Outside the Hotel is the Mercedes that one lucky Rotarian will win today!

If you have purchased your raffle ticket from MSNI, you may be the lucky winner of a brand new Mercedes. There may be some tickets left, Larry was just about out of tickets in the middle of the day on Friday. The proceeds of the raffle go to keep the Medical Supply Network operational. Cash-on-hand is needed to ship the many container loads MSNI handles.

Fun was had by all at the Friday evening Dinner
