Baker's Half Dozen

January became a very busy month once we realized that everything was okay after the Y2K hype.

Conaly Bedell, PDG, called a meeting of his 2001 Committee. Fred Vorsanger, PDG, brought to order the Medical Supplies Network, Inc. Board. Another shipment has been sent out. Paul Reagan and his interviewers spent one and one half days with eight students who wanted to study abroad. I met with the Assistant Governors for a mid-year up date and discussion on the District Conference with Chairman, John Brodbeck. John and Don Wasson, DGE, made Rotary Foundation speeches to several clubs in the district. District Conference

registrations are coming in at a faster pace than normal for the April 28 - 30 meeting. I wouldn't wait until the last minute if you want to be housed right at the conference center. Dr. Donald Kwait, PDG 6630, Beachwood Ohio and former Treasurer, Rotary International, will be the Presidential Representative. We will have an election to name a PDG to represent us at the Council of Legislation. Our thoughts now are to have an installation ceremony at the Conference. If your club would like to have a new member installed at the Conference, let us know. We'll be happy also to honor new Paul Harris fellows. I would like to see clubs set up displays at

Dave Baker

Eureka Springs on any unique club project that has been undertaken. Again, just let us know so we'll have the table space available. We need door prizes for golf as well as banquet giveaways. Please make contact. We'll have a memorial service Sunday, April 30. Please have your club secretary send us names of those that should be remembered. A represen-
